# NEW Galaxy PLUS Pool and Spa Lights

color changing LED light replacement bulbs

The Galaxy PLUS Pool and Spa Lights give you the ability to change the colors to control the mood of your entire backyard by synchronizing with our Savi X-Stream outdoor Light Kits. Create drama, excitement or a relaxing atmosphere with the flip of a switch.

## ENERGY EFFICIENT

Using only 40 watts, 90% less energy than a standard pool light, the Galaxy PLUS LED Color Changing Pool Lights use minimal energy to achieve stunning colorful effects in your Pool and Spa.

## LONG LAMP LIFE

5 times longer than standard pool lights.

## ETL LISTED

The Galaxy Light PLUS meets or exceeds nationally recognized electrical product safety standards.

## EASY TO INSTALL

The Galaxy Light PLUS screws into the existing housing like a typical light bulb. Always make sure to use a new housing gasket when changing any underwater lamp.

## BRILLIANT COLORS

The Galaxy Light PLUS creates a variety of exciting colors and effects to suit your mood. Uses existing pool light switch to change color modes.

## NO MOVING PARTS

On-Board Controller, Sturdy construction and innovative design ensures the Galaxy Light PLUS will provide you with years of carefree use.

## EXCITING "Shows"
