Egg Crate Louver

Half Hat

High Hat

8-Leaf Barn Door

These Accessory Holders have two slots, to accept any combination of hats/barndoors, egg crates and gel frames. Lens changing is easy with quick-action lens toggles.

With a heavy-duty tubular steel yoke, real molded locking knob, and a flat base, this fixture is now truly road ready. A TV pin is provided as standard.

The 4700.TD has a mount behind the fixture for a data enabler, so each fixture gets AC power and a DMX daisy-chain.

In the interest of continuous product improvement, specifications are subject to change without notice
